

November 29, 2024

**Your donation by
December 31st
will help us reach
the \$50,000 goal.**

Dear Friend of Life,

With Roe overturned and Indiana a pro-life state, it might be easy to think the work is done.

BUT...

We still have many challenges as well as opportunities.

- Hundreds of women have traveled from Indiana to surrounding states for their abortions.
- Even though the use of the abortion pill in Indiana can only be dispensed in-person by a licensed physician, organizations are still mailing the abortion pill to untold numbers of Indiana women.
 - Unborn babies are losing their lives.
 - These women are not receiving the medical oversight they need.
 - They may be experiencing an ectopic pregnancy or other medical issues and not realize it.
- Young people are still continuing to receive false information through social media.
- The abortion industry and the liberal media continue to promote false information regarding life issues.

Looking towards 2025, YOU have the opportunity to continue to fight back against the

culture of death and make a difference for life, for both the born and unborn, here in North Central Indiana.

Through your financial support...

- YOU will be providing students with the opportunity to experience the National March. **We're currently expecting to financially help 60-plus high school and college students participate in the Washington D.C. March for Life in January.**

- YOU will be encouraging and training high school and college students to stand for pro-life values through Life Guardians Training. **This past February, over 50 students attended!**

- YOU will be encouraging more students to stand for life through the hiring of a full-time Youth Outreach Coordinator.

- YOU will be supporting North Central Indiana pregnancy resource centers with financial donations and billboard messaging. You'll also be encouraging pregnancy centers across Indiana with Pregnancy Center Networking Day. **Ninety staff and volunteers from 20 pregnancy centers attended the 2024 Networking Day!**

- YOU will be educating the general public with pro-life billboard messaging that promotes the dignity and value of all human life. **Over 100,000 vehicles will pass by at least one pro-life billboard in North Central Indiana every day!**

God has given you and I an opportunity to make a difference for life, but we still have challenges. Your generous year-end donation will help meet those challenges.

YOU can impact students, pregnancy centers, and the public with your year-end donation (check, credit card, or appreciated securities).

Your year-end donation can be mailed in the enclosed envelope or use the QR code to give online. If you work for a company with a matching program, please consider submitting your donation to be matched.

For Life,

Dave Koontz
Executive Director
Right to Life of North Central Indiana

PS: The year-end fundraising goal is \$50,000 which will help RTL of NCI begin 2025 in a strong financial position to continue to take advantage of opportunities to impact North Central Indiana with a life-saving message!

****Your donation can be made with a check, credit card, IRA distribution, appreciated securities or from a Donor Advised Fund****
