Prayer has the power to change hearts, minds, and laws. Join Right to Life of North Central Indiana on **Friday, February 20th**, for a collective, 24-hour community prayer project – **PRAY 4 LIFE**.

The goal is simple but bold: to have someone praying every hour of that day, for the dignity of all human life. As we bring our petitions before God, we pray for mothers in need, for the protection of the unborn, and for a culture that values every person as created in God's image.

Sign up at **nci4life.org/pray4life** for your time slot to pray with others across our region!
