Wesley is often called upon by members of the legislative and executive branches of government to give advice on issues within his fields of expertise. He has testified as an expert witness in front of federal and state legislative committees and has counseled government leaders internationally.

### **Emcee: Jacob Alles**

Jacob Alles was born and raised in Columbia City. During his time at Eastern Michigan University he met his wife, Michelle. Jacob was raised to believe in the dignity of every human life and he carried this into his marriage.

Jacob and Michelle's love of children inspired them to marry young and begin their family, but God had other plans. Through infertility, miscarriage, and failed adoptions, the Lord was inviting Jacob and Michelle to love life and children in a new way. After 21 years of marriage and learning to love all that God has in store for them, Jacob and Michelle have been blessed with three children, one biological and two adopted.
