Mike Spencer

Mike Spencer served as a pastor for 23 years and now serves as the founder of Project LifeVoice, a gospel-driven human rights ministry that equips and inspires pro-life ambassadors to speak compellingly and to act sacrificially on behalf of our preborn neighbors targeted by abortion.

Mike is the author of the book, *Humanly Speaking: the Evil of Abortion, the Silence of the Church, and the Grace of God*.

Mike has a burden to awaken the Church to the plight of mothers facing unplanned pregnancies and to the little ones they carry. He travels extensively throughout the United States, speaking in churches, at banquets & conferences, and on high school & university campuses. He addresses thousands of students and adults each year. Mike brings a pastor's heart to the often emotional and divisive issue of abortion in a way that is both gracious and compelling.

He and his wife, Barb, have five children and 10 grandchildren and currently reside in Newark, Ohio.
