I hereby give permission for my name to appear as a supporter of the following statement:

"**We, the following citizens, pledge our support for all women and their families as they consider options other than abortion. We stand opposed to our nation's 'culture of death' which has claimed over 65 million unborn children through abortion and has left millions of mothers, fathers, and families suffering physical and psychological pain due to their 'choice.' We support real rights for women…a right to know all the risks involved in abortion, the right to be given accurate fetal development information, and the right to be offered true choices and alternatives. We also support those organizations that treat the mother and child with the love and respect they both deserve."**
